

3rd July 2020

This is an update from the recent announcements. Yesterday the Government published their specific guidance for Places of Worship, this guidance allows our services to have more than 30 people.

Therefore, on Sunday 5th July AM everyone is invited to attend service on Sunday morning in the upstairs auditorium of Dereham Road.

We want to keep church members as safe as possible, therefore, at each location:

- We'll be practicing 1 metre social distancing in the upstairs auditorium
- The balcony will be open
- Hand sanitiser will be available at entrances, and it's use encouraged
- We won't be handshaking during services
- Offering giving will continue to be electronic for the time being
- Initially nursery won't operate
- The kitchen will be locked and unavailable
- We will not be selling bottle water
- Sunday School and Children's Church will continue to be virtual

If you would feel more comfortable with 2 metre social distancing, or would rather not participate in singing, the Downstairs Auditorium (the Prayer Room) at Dereham Road will be open with the service on Livestream.

Bible Hour will be start at 9.30 am, with service starting at 10.30 am.

As previously announced, if you are uncomfortable with going to a physical service, you will continue to be able to watch the livestream from home.

Looking forward to seeing you soon,

Pastor Paul Boddy
